PUBLIC NOTICE  
GENERAL PERMITS

JUN 25 2003

SAJ-75

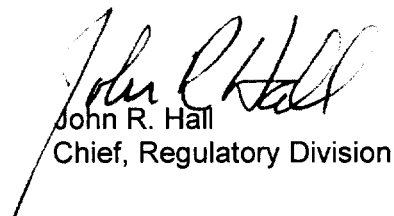

TO WHOM IT MAY CONCERN: To simplify and speed evaluation of Department of the Army permit applications, the Jacksonville District, U.S. Army Corps of Engineers promulgates Regional General Permits (general permits) to authorize a variety of minor activities. Each general permit is valid for a five-year period.

BACKGROUND: The general permit listed below is due to expire on June 30, 2003:

SAJ-75 - Fill for residential Lots in Royal Palm Beach Subdivision

At this time, it is not possible to complete the necessary review of the proposed reauthorization of this general permit before its scheduled expiration date. Therefore, to prevent the expiration of this general permit, we are administratively extending the expiration date of the above permit until December 31, 2003, or until the completion of the reauthorization process, whichever occurs first.

If you have any questions concerning this action, you may contact Tori White at the Stuart Regulatory Field Office by telephone at 772-781-8085.
